Dear Ministry Leaders,

Peace and blessings in Jesus' name.

We pray this message finds you well. On behalf of the **100 Men of Honor Committee**, we are reaching out to request your partnership in this year's **Award Ceremony**—a meaningful gathering recognizing 100 men across the Inland Empire who embody quiet strength, integrity, and steadfast service to family, work, and community.

Purpose of the Award

This award honors men who give their best without seeking recognition—men whose steady presence strengthens homes, churches, and neighborhoods. As our founder, Ms. Estella Bennett, often reminds us, *“Encouragement is to the human what oil is to the machine.”* Your support helps ensure these unsung heroes receive the honor they deserve.

How You Can Support

Your ministry's presence and influence in the region make your partnership invaluable. We are prayerfully asking for your assistance in two key areas:

- **Nomination Referrals:**
 - Please help us reach additional churches and pastors—especially those in proximity to Loma Linda—who may be able to submit nominees.
- **Sponsorship Support:**
 - Attached is our **Sponsorship Request Letter** outlining opportunities to support the event financially. Your contribution will directly impact our ability to honor these men with excellence and dignity.

Your willingness to share these materials and extend this invitation to your network will help us shine a light on men who rarely seek recognition but deeply deserve it.

Thank you for your continued commitment to the community and for helping us honor those who strengthen it in quiet, powerful ways.

With appreciation,

100 Men of Honor Committee
